

# MACHINERY SPEEDS UP AT STATE FAIR GROUNDS AS EXHIBITS BEGIN TO POUR IN

## ALBUQUERQUE MEN HAD ROYAL TIME AT ROSWELL FAIR

Pecos Valley City Gave Visitors Warm Hearted Reception and Fine Entertainment Says Club President.

### TOM EGAN TELLS SOME DETAILS OF TRIP

Exposition Especially Notable for Live Stock Showing and Big Display Coming to State Fair.

About half of the Albuquerque delegation of visitors to the Roswell stock show and products exposition returned home on last night's train from the Pecos valley, brimful of enthusiasm for the reception given them in the Pecos valley city and land in their praises of the show the Roswell people put on, as well as of the amusement program and entertainment.

"We had the time of our lives," said President Clark M. Carr of the Commercial club, who headed the delegation. "The fair was a great success. It was especially fine in the showing of livestock. None of us knew that New Mexico was producing the kind of stock we saw there, and I am glad to say that a lot of it is to be brought over for display at the state fair. The trip was a liberal education for us, as we were shown not only the fair but much of the surrounding country, and some very fine irrigation projects and orchards. We were especially pleased with the showing on the farm and orchard project of Mr. H. Summers, formerly of this city. It is a magnificent pumping enterprise. As for our reception it could not have been more cordial. We were given the grandest everywhere, individually and as a delegation, and made to feel that we were very much at home. I am glad to say that we were able to make the trip."

Egan says "Fine." "The trip was a success from every standpoint and we are all very enthusiastic over it," said Tom Egan, secretary of the Commercial club. "We were met at the depot by a delegation of more than 100 business men and residents of Roswell. The delegation was headed by Judge Richardson and Mr. Crile. They gave us a very hearty welcome and both men made short talks welcoming us to the city of Roswell and to their stock show and agricultural exhibit. Judge Richardson responded on behalf of the Albuquerque delegation. "The New Mexico Military Institute band headed the procession and we

## Roswell Newspaper Tells Story of Albuquerque's Live Visiting Delegation

(From the Roswell Evening News.) And the clouds rolled away when Albuquerque reached Roswell. They are here one hundred strong, reaching the city at 12:30. The clouds were heavy over the city, but just as the first Albuquerque man left the train the sun began shining brightly. The delegation was welcomed by A. D. Crile, manager of the State Livestock and Products exposition, who was introduced to the visitors by Judge J. A. Richardson. Mr. Crile, standing on a baggage truck, read a telegram from the mayor and city council of Albuquerque to Mayor J. S. Lea, with best wishes for the State Livestock and Products exposition and for the city. Mr. Crile said that he believed that the two best cities of the state, Roswell and Albuquerque, owed much to the rest of the state, and that the only way they could discharge that obligation was to work hand in hand.

Marched up the streets of the city strong to Third and Main streets. Here the Albuquerque crowd led by Rev. Schuler sang all their songs and were given a number of encores by the Roswell citizens who had gathered to meet us. The Roswell people seemed greatly pleased at our visit and the size of our delegation. Mel Summers and other business men told me that Roswell would show its appreciation of our visit by sending a special train of boxcars from that city here to attend the state fair.

"As far as our party is concerned we are all pleased and enthusiastic over the trip. The stock show and agricultural exhibit was indeed a great one and Roswell did itself proud in making it such a success and interesting attraction. "Roswell has grown wonderfully during the past few years. It has become one of the greatest little metropolitan cities of the southwest and it has some live-wire business men."

**Side Lights on the Trip.** Governor William McDonald rode with the Albuquerque boosters from this city to Roswell. He was accompanied by Mrs. McDonald, who left the train at Portales to attend the meeting of the Federation of Women's Clubs.

W. H. Booth at Clovis was accused of confiscating Governor McDonald's new fall hat. He was seen to leave the restaurant with the hat and Mrs. McDonald identified it at the depot just as he was going to board the train. Mr. Booth explained it by saying he took the best hat in the restaurant.

The special car conveying delegates to the Federation of Women's Clubs was attached to the Albuquerque train and was switched off at Portales. When the ladies left Max Nordhaus and Captain Carr sang a duet entitled "Good Bye, Girls."

A special delegation of girls met Sheriff Romero at the Roswell station. The Albuquerque crowd sang songs at every station visited on the trip.

The visitors showed their appreciation with loud applause.

The Rev. E. P. Schuler of Albuquerque responded for the visitors. He said a preacher welcomed the visitors and a preacher would respond. He had thought it appropriate to baptize Roswell today, but found the child too big. He then performed the wedding ceremony, uniting Roswell to Albuquerque, and wanted to call the city Roswell quereque.

Numerous songs, in which the Rev. Mr. Schuler was the leader, played an important part in the festivities. "They say Crile ain't got no style—He's got, style all the while!" This, with variations for Judge Richardson and Roswell, was one of the principal songs, and there were others, for Albuquerque had her song book with her.

Dr. David R. Boyd, president of the University of New Mexico, and the Rev. Mr. Schuler carried a large banner which bore the words: "Albuquerque Delegation—Here's to You, Roswell!"

The parade was headed by the New Mexico Military Institute bugle corps and the delegation marched to the corner of Third and Main streets. Here some more songs were sung, and Albuquerque showed her good will for Roswell.

It is about the liveliest bunch of citizens which has landed in Roswell in many a day, and they haven't lost a minute since they arrived. They not only show the spirit of good fellowship for Roswell, but they can think of more opportunities to say something about the state fair at Albuquerque next week than could professional speakers. They have had a busy afternoon.

After disembarking for lunch they assembled again at 1:45 and enjoyed a ride through the farms as guests of Roswell citizens. They went to the fair grounds at 3:30 to attend the State Livestock and Products exposition.

## COLFAX COUNTY IS REPRESENTED AT THE GROUNDS

Fred Howarth, Expert Exhibitor, and County Agriculturist Mertineau Arrive in Charge of the Kingdom's Exhibit.

The Kingdom of Colfax, as Colfax county has come to be well known, is represented at the state fair grounds today by Fred Howarth, an expert exhibit man, in charge of the county's display, and by County Agricultural Agent Martineau, who arrived in advance of the exhibit to arrange for its immediate placing.

The exhibit consists of two dray-loads of securely packed material, most of which is of prize winning quality shown at the Northern New Mexico fair. The fruit will perhaps be the finest ever shown from Colfax county at the state fair, and will include large exhibits of apples and other fruit sent direct from the Webster, Chase and Springer orchards at Cimarron.

## DONA ANA MAY SEND MOTOR DELEGATION ON COUNTY DAY

Plans Under Way for a Big Automobile Party to Visit State Fair on Wednesday, October 13.

With the state highway to this city in the best condition it has ever been in, and with interest in the state fair running high, it is expected that a motor delegation of forty or fifty Las Cruces people will come to Albuquerque next Wednesday, October 13, to attend the state fair. That day is Dona Ana county day at the fair, and the Las Cruces newspapers and boosters are busy organizing for a large attendance. It is one of the most comprehensive of the list, and is of unusual ingenuity and elaborateness. It was shown at the recent Dona Ana county fair at Las Cruces, where it made a hit.

## HERRING ADDS A SILVER CUP TO THE RIFLE SHOOT PRIZES

Adjutant General Harry T. Herring has offered a silver cup to be contested for at the state rifle shooting contest to be held at the state fair grounds next week. The offering of the trophy carries with it a proviso that there must be at least five teams, consisting for the cup and two of these must be national guardsmen.

## SILVER CITY WILL SEND BIG CROWD TO THE STATE EXPOSITION

Fifty Citizens the Minimum Placed on Number from Grant County Metropolis to See the Big Show.

### WILL BRING THEIR OWN BAND ALONG

Masonic Gatherings, Grant County Day and Boys and Girls Club Meet Adds to Interest in the Trip.

Silver City, N. M., Oct. 6.—Silver City is to have a big delegation at the New Mexico state fair which opens next Monday in Albuquerque. With the grand chapter of the Royal Arch Masons and other Masonic bodies meeting there fair week, the state encampment of the Odd Fellows, the grand lodge of the Knights of Pythias and other fraternal orders, the representatives from Grant county and this city will be swelled. Then there will be a large number who will go to the fair just to take in the various events and enjoy themselves. Several automobile parties are now being formed to make the trip to the Duke City in major cars.

The city band is planning to go to Albuquerque and they will serve to keep the fair crowds awake to the fact that Silver City is very much on the map. The band boys will take part in several civic parades, besides giving concerts and playing in front of the Silver City headquarters.

Secretary Carl Hinton of the chamber of commerce has received a number of names of those who are going to Albuquerque and needs but a few more to complete the number necessary to secure a special standard Pullman car for the local delegation. Persons who contemplate going to Albuquerque next week should see the secretary today or tomorrow.

**Boys and Girls Named.** Grant county has arranged to send six boys and six girls from its public

this instead of this

THE careful hand sewing, the careful hand cutting, the careful hand pressing—all these things make for a well dressed appearance, while thundering sewing machines, cutting wheels and pressing machines do not.

this instead of this

schools to the state industrial encampment. They have been selected as follows:

State Normal training school—Vina Robertson.  
Silver City public schools—Conula Gidding.

Central public school—Fayette Dickinson.  
Hurley public school—Artie Go.

Upper Gila school—Ethel Rice.  
Lordsburg public schools—Gip yet to be named.

Santa Rita public school—Sam Kelly.

Cliff school—Marvin Clark.  
Jackson school—Julius Jackson.

Pinos Altos school—Wilbur Jackson.  
Mule Creek school—Boy yet to be named.

White Signal school—Boy yet to be named.

The Grant county boys and girls will be chaperoned by Miss Lela Manville and Prof. Leo Douglas of the Normal. They will spend the entire week of the fair at Albuquerque and will camp at the fair grounds. They are anticipating both a profitable and enjoyable outing.

During the past week Grant

county's mineral, agricultural and livestock exhibits were assembled here and will be shipped to Albuquerque this week by freight. Judge M. W. Porterfield, a member of the county commission named to help assemble the exhibits, will go to Albuquerque and arrange the exhibits and have personal charge of the same during the fair.

The exhibits are very extensive and represent the varied industries of the county. Especially creditable is the mineral collection, which is made up of minerals and ores from every producing camp in the county with an unusually big exhibit from Santa Rita, assembled by the Chino Copper company.

Grant county is sure to have one of the largest and most creditable exhibits at the state fair, due to the energetic efforts of Van T. Manville, chairman of the county commission. Col. H. H. Belta, vice president of the state fair commission, and Judge M. W. Porterfield, Colonel Belta will leave next Sunday for Albuquerque and will have an active part in the management of the fair as a member of the state commission.

## FIREWORKS MEN PREPARE FOR BIG NIGHT SHOWS

W. H. Willson, president of the Los Angeles Fireworks company, which has the contract for presenting the fireworks displays at the state fair night shows, with his assistants, Joseph Lawler and Peter Glennie, went to work this morning with the idea of completing their equipment in the fair grounds today. The company has brought here a magnificent display of the very latest novelties in fireworks displays and Mr. Willson says he is sure the state fair visitors will be well satisfied with the show. The paraphernalia is extensive and expensive and it will be necessary to keep the plant carefully guarded after it has been set up. The first of the fireworks shows will take place Monday night.

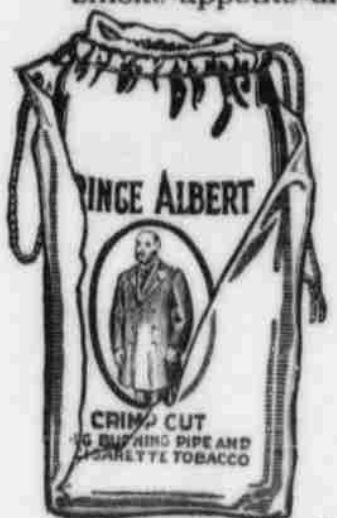

Most disfiguring skin eruptions, scurf, pimples, rashes, etc., are due to impure blood. Burdock Blood Purifiers as a cleansing blood tonic, is well recommended. \$1.00 at all stores.

# PRINCE ALBERT

the national joy smoke

is such good tobacco you feel like you could just eat the smoke!

Yes, sir, P. A. puts a razor edge on your smoke-appetite-division that's nobby enough to be photographed!

The toppy red bag, 5c

No other pipe and cigarette tobacco can be like Prince Albert, because no other tobacco can be made like Prince Albert. The patented process fixes that—and removes the tongue-bite and throat parch! Let that digest!

And that line of conversation is 24 kt., whether you play P. A. in your old jimmy pipe or roll it into a makin's cigarette.

For you can put your little old blue-pencil O. K. right here that Prince Albert is a regular double-header for a single admission—as joy's to your tongue and taste one way as the other!

Will the "rollers" kindly step forward for a spell and get some of this listen into their systems? Because Prince Albert certain and sure jams more joy into a makin's paper than ever before was figured up on two hands!

In the plain language of the hills, you can't any more resist such makin's tobacco than a bullfrog can pass up a piece of red flannel! Because P. A. hands to you everything any cigarette roller ever dreamed-out—rare flavor, and aroma, and mildness, and body; absolutely the best bet—the best smoke

you or any other man ever did roll and put the fire to! Men, we tell you to wise up.

P. A. is crimp cut and stays put—which means rolling P. A. is as easy as falling off a log. And it's good to remember P. A. is put up in the toppy red bag especially for you "rollers." Sells for the price of a jitney ride, 5c.

Now, will the "pipers" kindly open both ears?

Here's tobacco that has made it possible for three men to smoke pipes where one smoked before!

Any way you hook it up, Prince Albert is tobacco insurance! Yes, sir, it guarantees your future as well as your present smokings! And just makes your tongue so jimmy pipe joy's that your smoke appetite grows whopping big. You men who "dassn't," we say you go to P. A., natural-like! Because there isn't a bite in a barrel of this national joy smoke.

Unlimber your old jimmy pipe! Dig it out of the dark corner, jam it brimful of P. A. And make fire with a match! Me-o-my!

You get acquainted with Prince Albert in the toppy red bag, 5c; or tidy red tin, 10c. But for the double-back-action-joy, you buy a crystal-glass pound humidor. And then you're set! You see, it has the sponge-moistener top and keeps P. A. at the highest top-notch point of perfection. Prince Albert is also sold in pound and half-pound tin humidors.

The tidy red tin, 10c
